

Notice of Employment Opportunity

Flight Instructor

(Full-Time, Salaried Position plus Flight Pay)

The Jacksonville Airport Authority is currently accepting résumés for a full-time flight instructor position at the Jacksonville, IL Municipal Airport (KIJX). A CFI rating is required for this FAA part 61 flight school opening.

Applicants should be able to conduct primary and advanced aircraft flight and ground training to prepare student pilots to successfully complete certification for the Private Pilot rating. Applicants must be capable of developing and managing aircraft training programs and assisting in effectively recruiting student pilots.

The starting annual salary range for this position is \$25,000 to \$30,000 and will be based on pilot experience and ratings. Additional flight time pay will range between \$25 and \$35 per flight hour. Vacation, flex time, and discounted aircraft rental rate benefits are also offered.

Interested applicants should email his or her résumé and a completed Pilot History Form to the Airport Manager at manager@flyijx.com. The Jacksonville Airport Authority Pilot History Form can be found on our website at www.flyijx.com on the Employment Opportunities page.

For more information about the Jacksonville Municipal Airport and the services we provide visit www.flyijx.com. Applications will be accepted until the position is filled.
